Dear Rohit,

I'm glad to inform you that we have now moved into our new house. I wish to convey my thanks for the beautifully carved marble works of art you supplied to us.

The workmanship at the marble pavilion, urns, planters, fountains, lamps, wall panels, benches and various other stone elements are truly spectacular and I am very appreciative of them as these additions make our home quite unique. Please convey our heartfelt appreciation to your team of craftsmen for their tireless efforts towards achieving such magnificent pieces of art. We marvel at the dedication of their work and such attention to detail. Likewise I appreciate your commitment to making these additions the very best they can be, certainly exceeding our expectations.

I wish you & your team of master craftsmen all the very best. Perhaps we will have an occasion to work with you in the future.

Best Wishes,

Rajat K. Gupta
